

## **The following criteria must be met for Long Island, New York patients:**

- Patients must be 21 years old or younger and diagnosed before their 18th birthday.
- All information submitted will be verified by authorized treating facility and personnel. Only applicants who have met all necessary requirements will be approved.
- Must be an oncology diagnosis.

## **Things to know before applying:**

- Applications must be submitted by social worker from the facility where the pediatric cancer patient is being treated.
- Applications must be submitted via email to [danielacontefoundation@gmail.com](mailto:danielacontefoundation@gmail.com) and will not be accepted by fax or phone.
- If you are a parent or family member and would like to fill out an application for a pediatric cancer patient, please contact the child's social worker to submit an application on their behalf.
- Money won't be distributed directly to a family. Expense will be paid directly to funeral home or cemetery holding the service with proper accompanying invoice/receipt.

## **We do not assist with:**

- Non-oncology cases.
- Patients diagnosed at the age 21.

## **After Submission:**

The Daniela Conte Foundation will contact applicants within two business days and will provide a status of the request submitted.
